FILE EDIT HELP

HM... SO..

A cartoon illustration of a scene at night. In the foreground, a character with a determined, shouting expression is running towards the viewer. They are wearing a blue hooded sweatshirt with a white star on the chest, blue shorts, and white sneakers. In the background, several other characters in similar blue outfits are sleeping on the ground. One character is lying on their back with their arms crossed, and another is lying on their side. A large, stylized 'U M P H !!' is written vertically in the background. The scene is set against a dark purple night sky with a few palm trees and a street lamp.

A comic panel showing three cartoon characters in blue hooded outfits running through a hallway. The character on the right is speaking, while the other two are looking on with expressions of concern or anger. The hallway has yellow walls and a dark floor.

The scene is set in a desert at night, with a dark, starry sky and a few distant palm trees. In the center, a girl with black hair in a ponytail, wearing a blue hooded jumpsuit and white shoes, is running towards the right. She has a determined and slightly angry expression. She is pointing her right index finger directly at a boy. The boy, also in a blue hooded jumpsuit, is running away from her towards the right. He has a surprised or perhaps indignant expression. To the left of the girl, another person in a blue hooded jumpsuit is partially visible, looking on. To the right of the boy, another person in a blue hooded jumpsuit is partially visible, also looking on. The ground is a light yellowish-tan color, suggesting sand. The overall style is that of a comic book or cartoon.

YUMI'S
